

## **PRESS RELEASE**

### **Ryan American College of Healthcare Executives regional board**

**San Francisco, CA** - May 1, 2007 - Michael G. Ryan, FACHE has been appointed to a three year term to the American College of Healthcare Executives new Regent's Advisory Council (RAC) representing an expanded Northern and Central California District 5. He has served on the local Bay Area RAC since 2004. The new expanded region includes Northern and Central California. "I am looking forward to assisting new Regent Delvecchio Finley, FACHE, in transitioning the new region, growing our membership, addressing critical healthcare issues as a profession and being responsive to ACHE's membership needs in the years ahead."

Mr. Ryan joined ACHE in 1982, and has served in a leadership capacity at the local, region, state and national levels. He is the former Regent for Louisiana, National Council of Regents, served on the National CEO Committee, and a founding board member of the [ache.org](http://www.ache.org) the association's web site. In addition, has served as an oral examiner, mentor, Newsletter of the Year award recipient and he is certified in healthcare management and a Fellow in the College.

### **About American College of Healthcare Executives**

The American College of Healthcare Executives is an international professional society of 30,000 healthcare executives who lead our nation's hospitals, healthcare systems, and other healthcare organizations. ACHE is also known for its journal, the *Journal of Healthcare Management*, and magazine, *Healthcare Executive*, as well as groundbreaking research and career development and public policy programs.
