PRESS RELEASE

San Francisco, CA – March 30, 2004 - Michael Ryan, FACHE, Managing Partner, EiG, has been appointed to the American College of Healthcare Executives (ACHE) San Francisco Regent's Advisory Council (RAC) for a three-year term. Mr. Ryan was appointed by Mr. Enrique A. Vitug, FACHE, Regent for Golden Gate region who stated, "Michael Ryan is an extraordinary individual and leader. I have known Mike since 1995 and believe that he is a singularly talented and effective leader. We are pleased his acceptance in serving on the RAC for another term". Mr. Ryan commented, "I have been actively involved with the College for 22 years, and I look forward to continuing my service to the membership in the Bay area for years to come."

Mr. Ryan joined ACHE in 1982, and has served in a leadership capacity at the local, region, state and national levels. He is the former Regent for Louisiana, National Council of Regents, served on the National CEO Committee, and a founding board member of the [ache.org](http://www.ache.org) the association's web site. In addition, has served as an oral examiner, mentor, Newsletter of the Year award recipient and he is certified in healthcare management and a Fellow in the College.

About American College of Healthcare Executives

The American College of Healthcare Executives is an international professional society of 30,000 healthcare executives who lead our nation's hospitals, healthcare systems, and other healthcare organizations. ACHE is also known for its journal, the *Journal of Healthcare Management*, and magazine, *Healthcare Executive*, as well as groundbreaking research and career development and public policy programs.
